screens

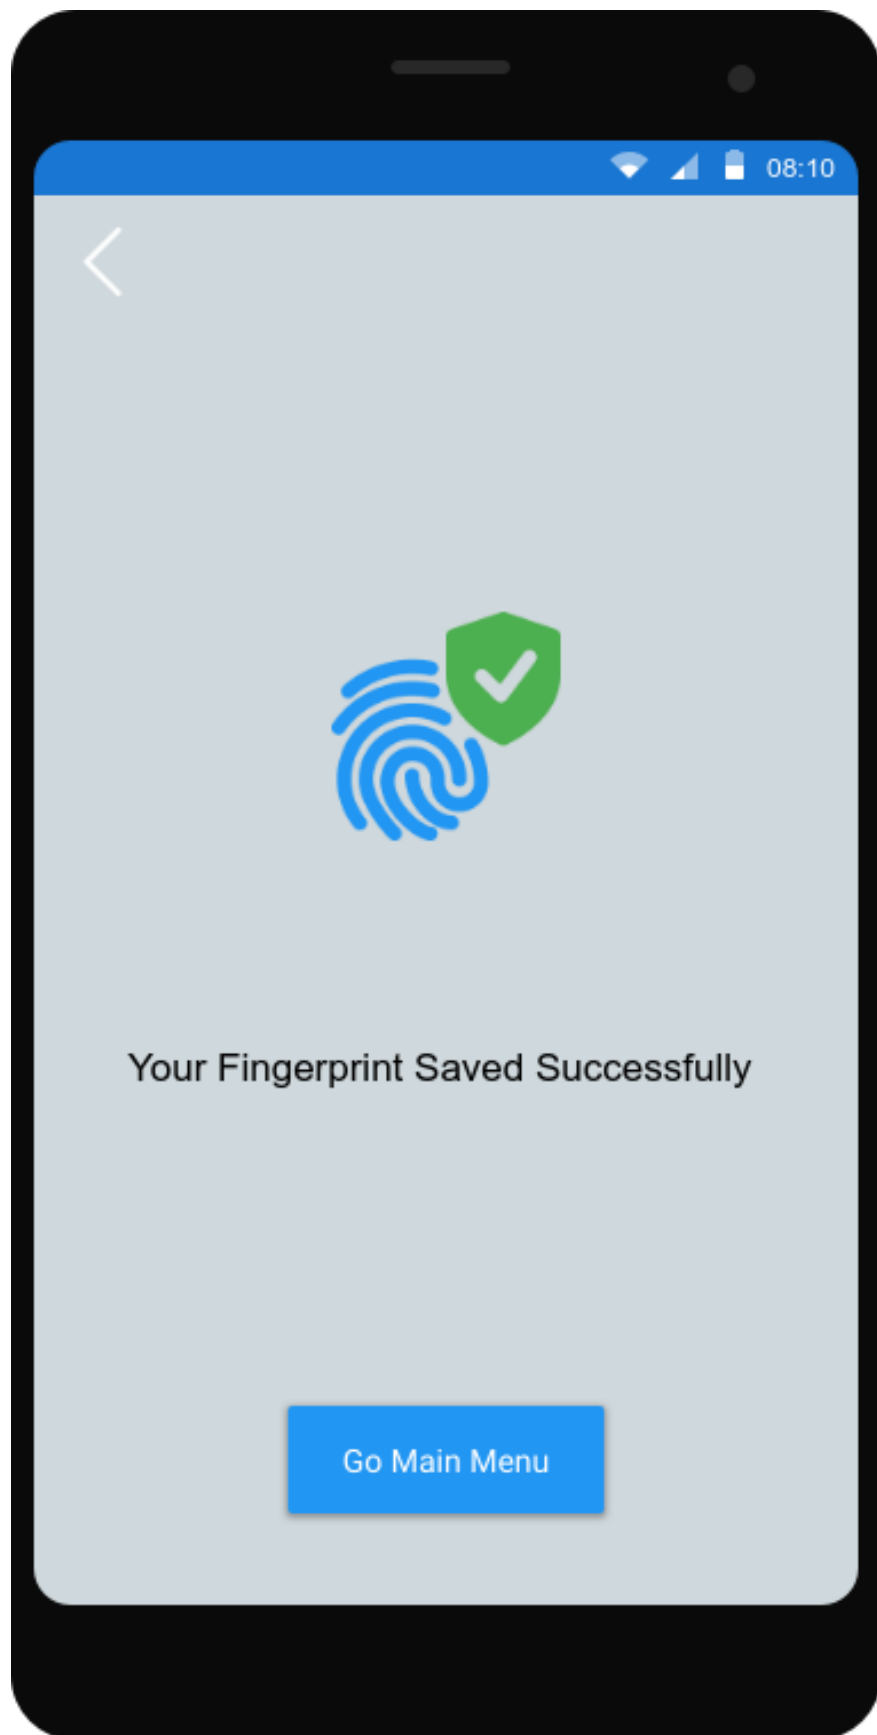

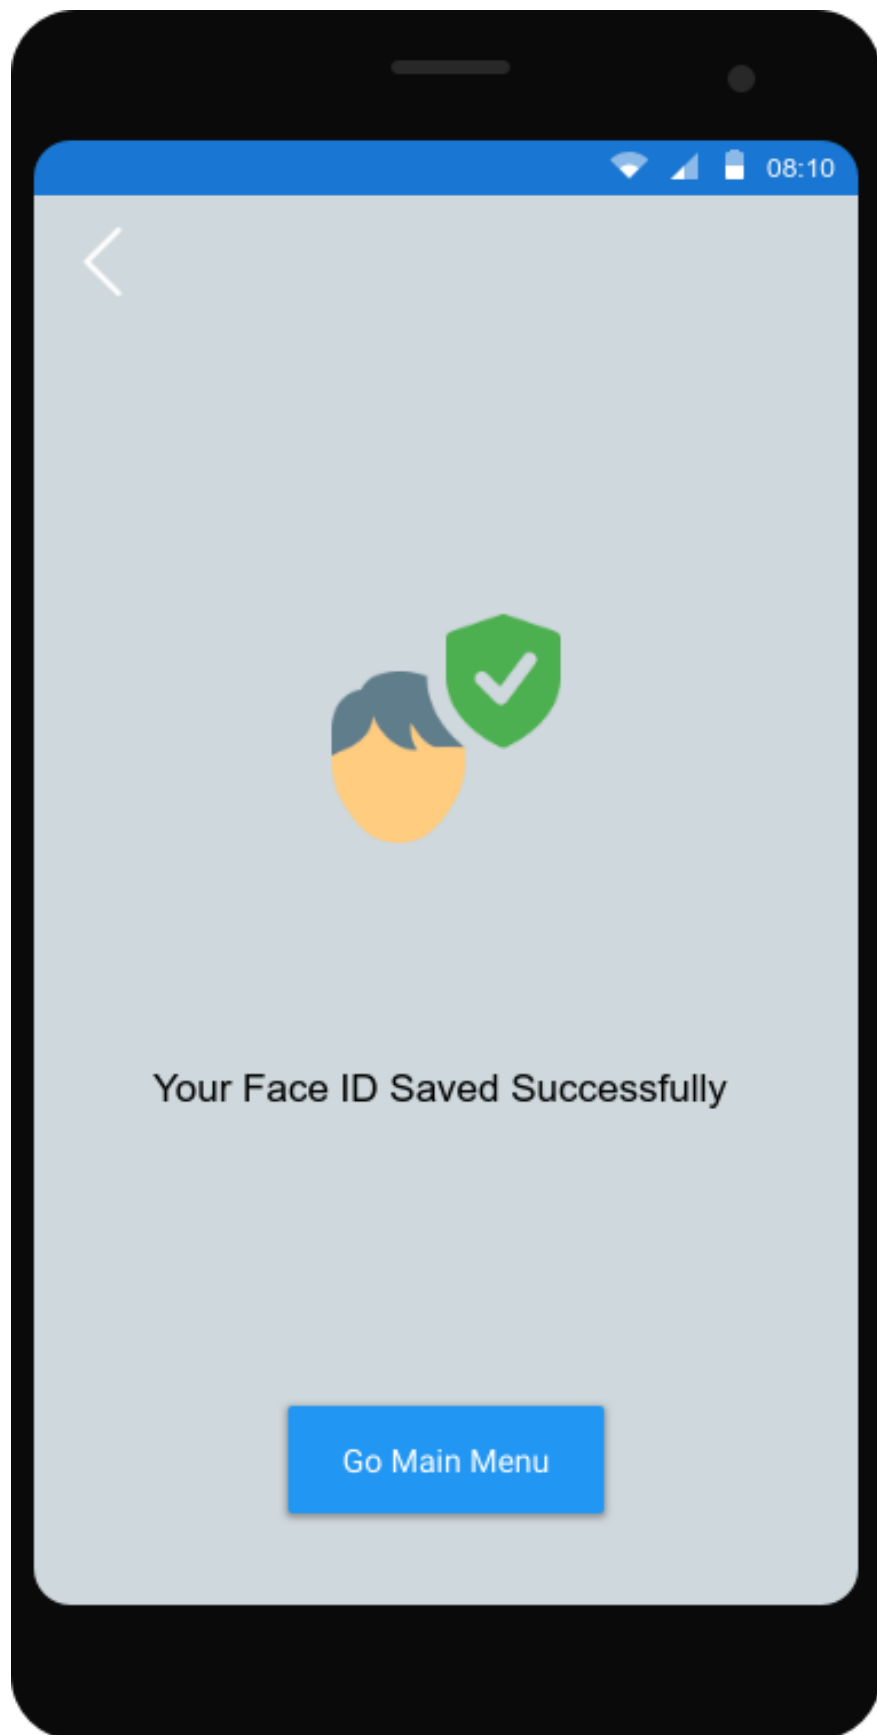

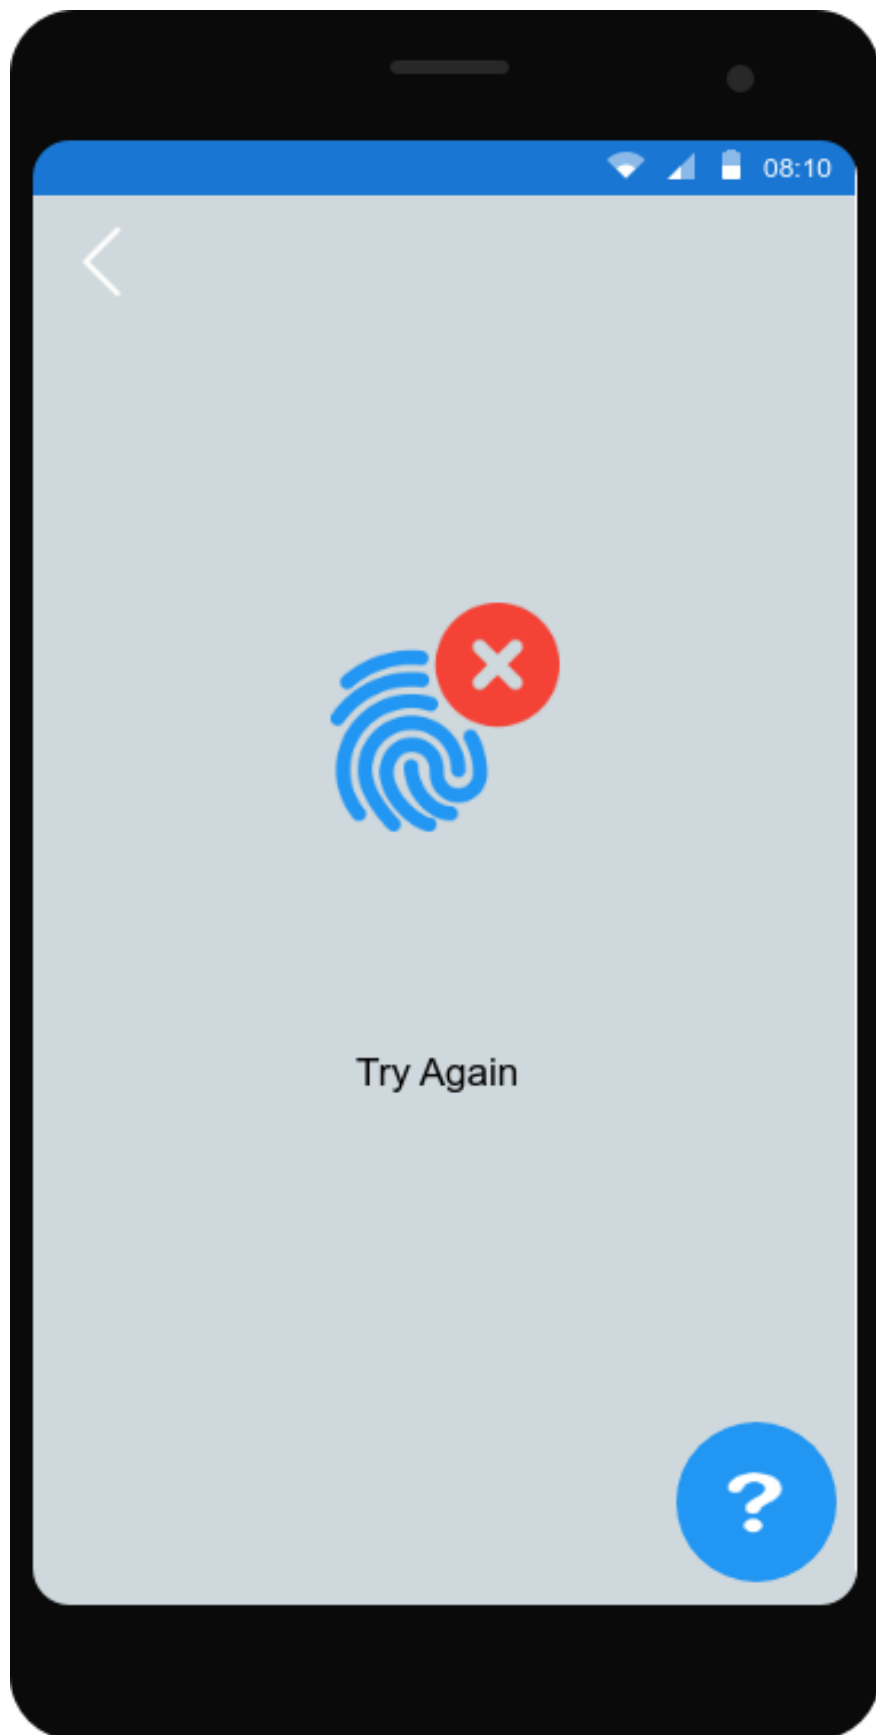

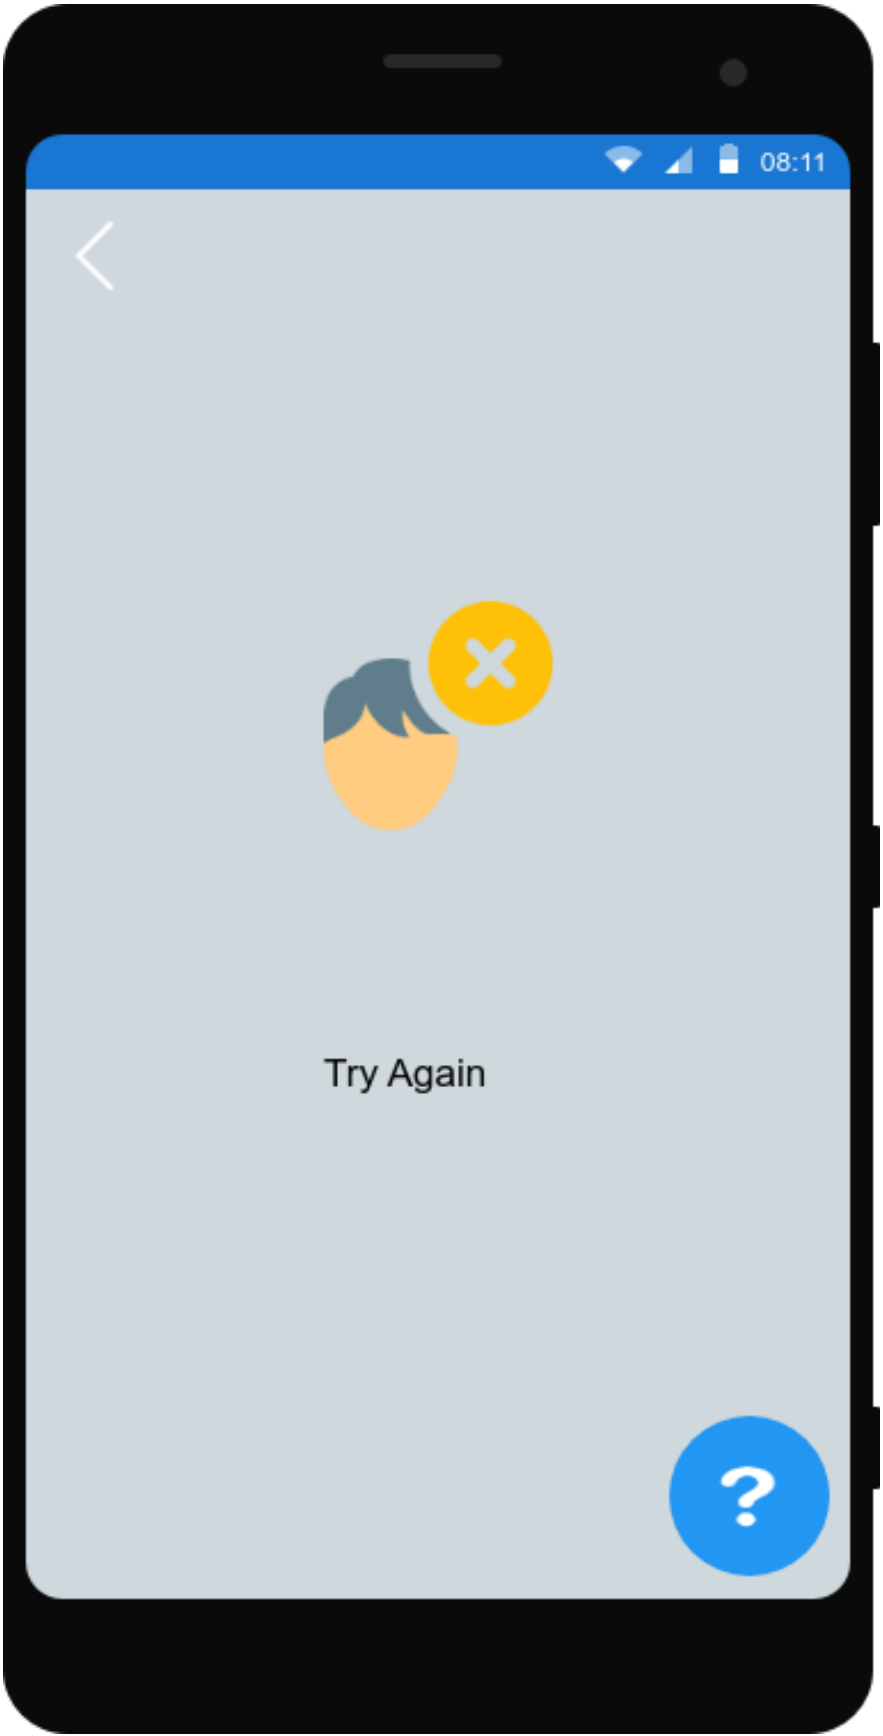

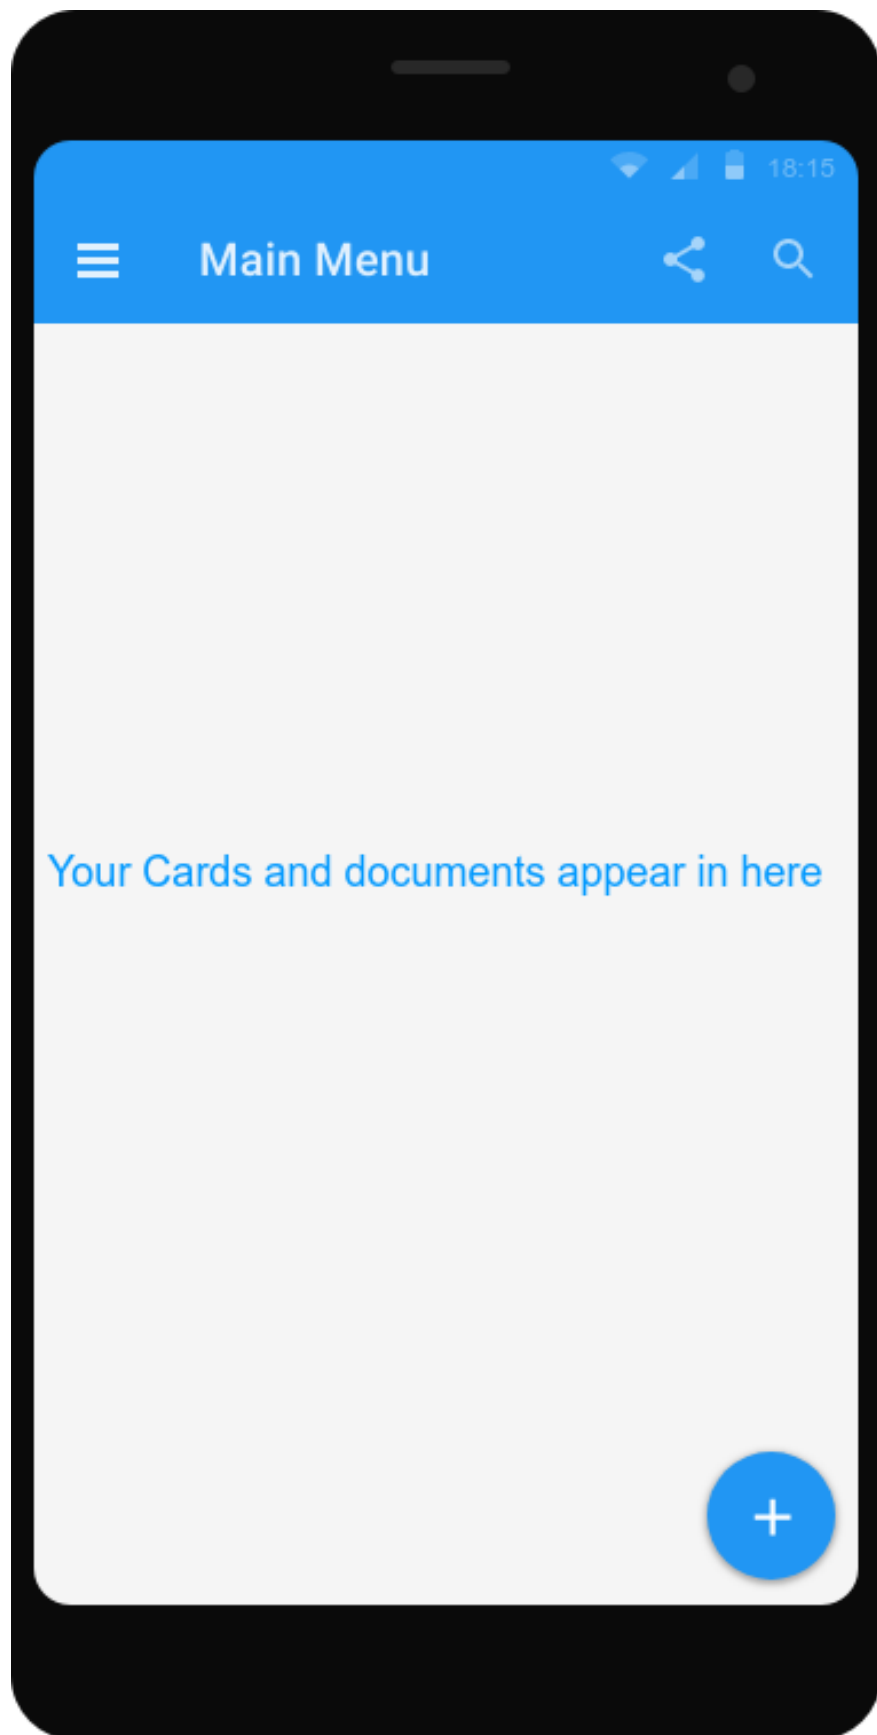

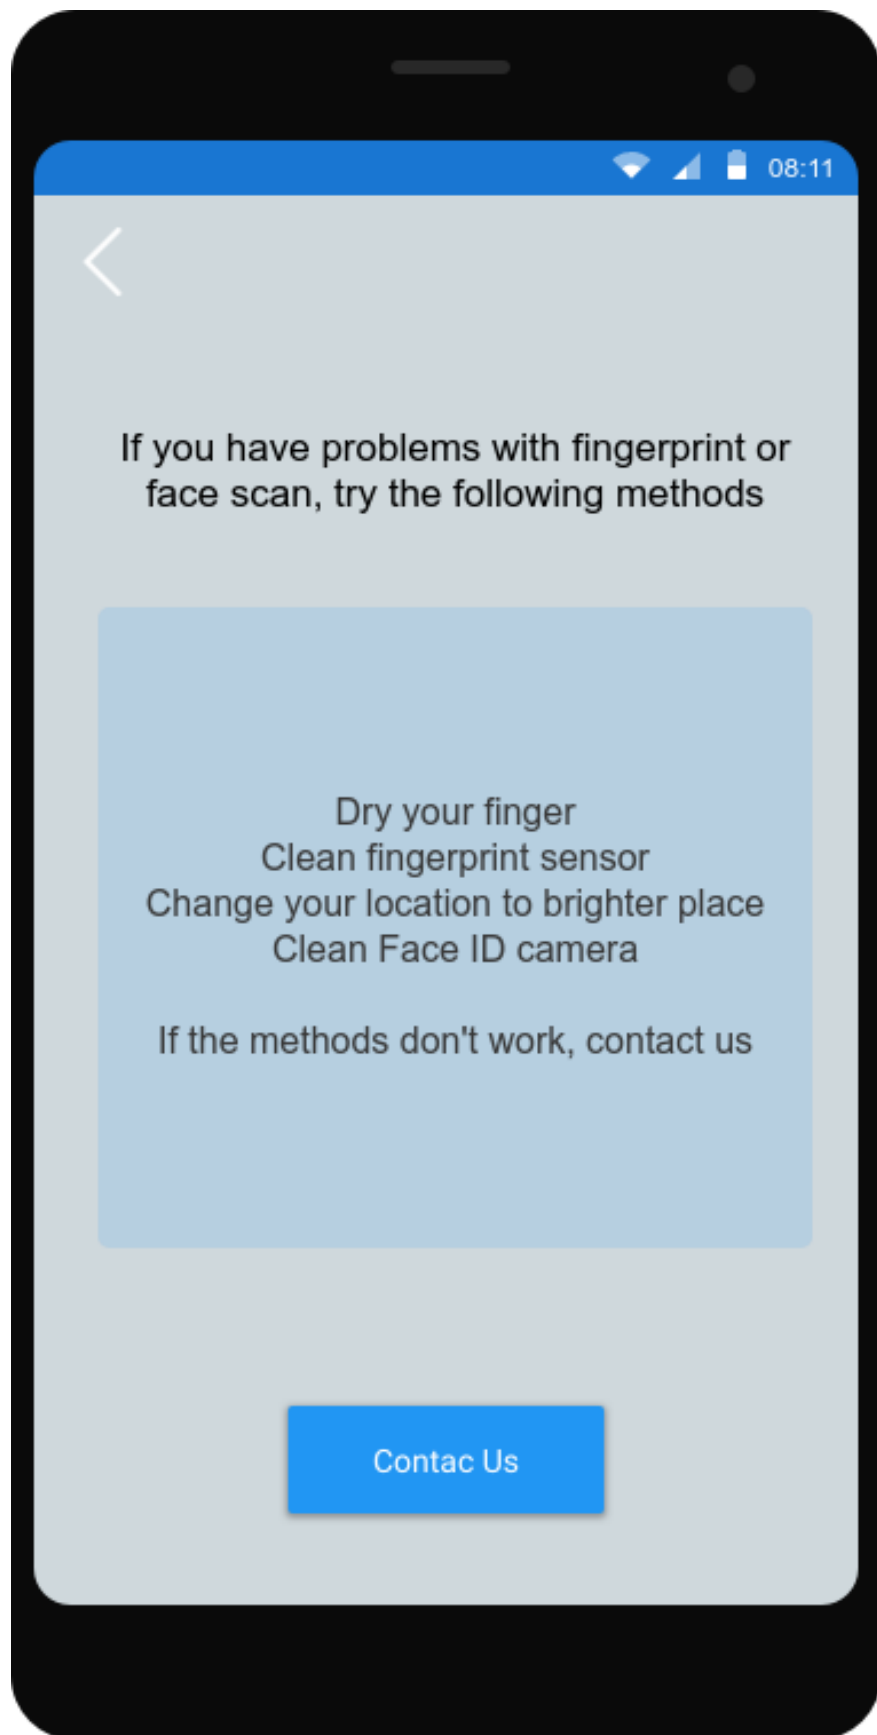

The image shows a mobile application interface for reporting a problem. At the top, there is a blue status bar with icons for signal, Wi-Fi, and battery, and the time 08:30. Below this is a grey header with a back arrow on the left and a large white question mark in the center. The main content area is white and contains three input fields: 'E-Mail', 'Phone Number', and a large text area with the placeholder 'Type your problem here'. At the bottom of the form is a blue button labeled 'Send'.
